#### DAY 07

##### Golf at Shimla Golf Club, Naldehra

The Naldehra Golf Club is an unusual course, perched at an altitude of 2,200 metres, under a thick mane of Himalayan Cedar Trees. It is a par 68, 18 hole golf course with 16 greens and 18 tees. Designed over a long sloping glade, the course is regarded as one of the most challenging in the country.

Being a par 68 course, it is not long by any standards but is characterized by a large amount of slopes, elevated greens and tees and surrounded by thick woods. These are not the only hurdles that golfers have to contend with while playing on this course. The out-of-bounds factor looms large on their minds while playing here as there is virtually an out-of-bounds on every hole along with the laborious walks over the hill that leaves one gasping for breath every now and then. Certainly, one has to be prepared not just for a golfing test while playing on this course but a physical test as well. Return to the hotel in Shimla in the evening
